

# Open Space Technology

- FROM THE HEART
- LAW OF THE TWO FEET
- DO NOT WORRIE
- THREE WAYS TO PARTICIPATE

# From the heart

- Bring in a passionate concern, issue
- Bring in energy, you do not need to be a specialist
- Start with a issue on A5, step forwards and in short explain
- Chair the work session
- Make a journal on the wall

# The law of the two feet

- Choose a working session that you like best
- The law of the two feet allows you to leave at any time
- Leave the session if you cannot learn enough or contribute

# Don't worry

- Be relaxed
- Start to think: this is the rights session with the right people, this is the right team
- Think: We started at the right moment and we stop in time.
- Done is done, do not make the time full when your are ready

# Three ways to participate

- Choose a role that fits you. Feel free to go and stay where ever you want.
